EXTRACTIVE INDUSTRY IN FIJI

- Mining – gold, copper
- Bauxite Mining
- Quarry Excavation
FIJI’S NATIONAL DEVELOPMENT PLAN (NDP)

- NDP’s focus: “A Sustainable Mining Industry”

- Future Expectations: Increase in mining activities
  - 8 mining leases currently being monitored
  - 78 exploratory licenses issued

- Development: licenses include offshore oil exploration and geothermal exploration to support renewable energy production
Work in progress by SAI Fiji

- Preliminary research of the present extractive industries in Fiji and the PASAI region.

What we intend to achieve:

- Gain a better understanding of extractive industries in the PASAI region with regards to the seven value chains.
- Share information with WGEI.
SAI(FIJ) – ACTIVITY 2 PROMOTING INFORMATION SHARING

**Way forward:**

- Increase the number of SAI’s in Activity 2.
- Compliance audit – translate.
- Co-operative audit.
