

ACTIVITY 3

LEARNING

By SAs Uganda, Ghana and India
ANNUAL WGEI STEERING COMMITTEE MEETING
17th September 2020

Presentation outline

- **Background**
- **Training under Workplan (2020 – 2022)**
- **Planned activities for 2020**
- **Progress**
- **Way forward**

Goal of training activity :

- Strengthen the capacity of the Supreme Audit Institutions(SAIs) to carry out high quality audits in the EI thereby promoting transparency, accountability and good governance of the sector.

Achievements under Workplan (2017-2019):

- Organised training workshops on various topics in EI
- Established a learning task force
- Developed an Extractive Industries Training Framework

Designed to build on achievements under Workplan (2017/19)

Sub-activities:

- i. Organise trainings and workshops using existing resources
- ii. Regular update of the EI training framework
- iii. Promote the utilization of EI training framework
- iv. Designing and Piloting e-learning course on selected topics
- v. Holding Webinars on key matters

Planned activities for 2020

i. Training workshops based EI Training Framework

- South Africa (Joint WGEI/AFROSAI-E event)- February
- India (at iCED, Jaipur)- March
- Ghana - June
- Uganda - July
- Fiji - September

ii. Collaborate with ARABOSAI on EI training initiative- June to July 2020

iii. Update EI Training Framework based on feedback from training workshops

iv. Design e-learning course

Achievements:

- Joint WGEI/AFROSAI-E training course on production sharing agreements- 3rd-7th February 2020
- Submitted funding proposal to KSC to develop EI e-learning course
- Support to SAI Netherlands e-learning initiative

Challenge:

- Some activities postponed due to COVID-19 pandemic

Way Forward

- I. Explore the possibility of undertaking some activities virtually
- II. Postpone activities that cannot otherwise be performed
