To promote the audit of extractive industries
Activity 3- Learning

Presented by SAIs Uganda, Ghana and India
At Annual WGEI Steering Committee Meeting 2021
Presentation Outline

1. International Training Programme on Audit of Extractive Industries
2. Online EI Course
3. The University Of INTOSAI
International Training Programme on Audit of Extractive Industries

- Hosted by WGEI and iCED – SAI India from 15th to 19th March 2021
- Based on Extractive Industries Training Framework
- Covered module 1 - *An Overview of the Extractive Industries* and module 8 – *Environment and Sustainable Development*
- Facilitators from SAI Uganda, SAI India and EI sector in India
- Virtual training - 87 participants from 26 countries
- Training materials available on WGEI website and webpage of INTOSAI Community Portal
Online EI Course

- Funding of Euro 4,000 from INTOSAI Knowledge Sharing and Knowledge Services Committee (KSC)
- Designed workplan for developing the course
- Key role players:
  i. Secretariat - coordination
  ii. Operational reviewers - give technical guidance, approve drafts
  iii. Overall reviewers – approve topic, pilot course
  iv. Content developers – develop technical EI content
  v. Steering Committee - final approval of course
Participants:
- Operational reviewers - Representatives from SAIs India, Ghana, Uganda, Norway, Indonesia, Philippines, and AFROSAI-E
- Overall reviewers - SAIs of Uganda, Zambia, Ghana, Norway, Zimbabwe, Ecuador, India, Vietnam, Russia, INTOSAI regional Secretariats and AFROSAI-E
- Content developers: Representatives from SAIs Egypt, Kenya, Tanzania and Zambia
Online EI Course

Progress To-date

- Secretariat received funds from KSC Secretariat
- Reviewers approved topic 'Exploration and Data Management' in the minerals sub-sector
- Requested member SAIs for information on the topic
- Content development team commenced work on 30th August
- First draft expected at the end of September 2021
THE UNIVERSITY OF INTOSAI (U – INTOSAI)

- Initiative of the INTOSAI Chair (Accounts Chamber of the Russian Federation)
- Open online educational platform for all INTOSAI members to exchange experience and knowledge
- Consolidates capacity building by INTOSAI bodies and individual SAIs
- Offers online courses, webinars, best INTOSAI educational projects and guidance
- Members and users - INTOSAI Secretariat, SAI staff, Students, International experts, research, organizations, Citizens and media
- Have held discussions with SAI Russia on the possibility of sharing WGEI training materials on the platform
- Intend to upload content from previous training workshops on the forum
