</table>
| i. **Key Stakeholder networking and outreach**    | • Continuous dialogue and follow-up with key stakeholders based on the WGEI stakeholder strategy  
• Identify areas where SAIs/WGEI can cooperate with external stakeholders  
• Continuous dialogue with IDI (e.g. on potential donors to fund WGEI activities) and other INTOSAI bodies (e.g. CBC, WGEA)  
• Attended meetings/ EI-conference with relevant stakeholders | • 1 minor update each year  
• 1 major update in 3 years                                                                                                         |
| ii. **Regular update of the Stakeholder Strategy and Communication plan** | Stakeholder strategy and Communication plan regularly updated and relevant | • 1 minor update each year  
• 1 major update in 3 years                                                                                                         |
| iii. **Promote effective use of the Briefing Note on the role of SAIs in EI** | Stakeholder access, read and share the Briefing note |                                                                                                                                 |
| iv. **Regular update of the briefing note on the role of SAIs in EI** | Briefing note regularly updated | • 1 minor update each year  
• 1 major update in 3 years                                                                                                         |
| v. **Engage academia and research organizations in research on the subject of EI** | Potential research areas identified |                                                                                                                                 |
September 2020 - September 2021

- Contributed to the Revenue Development Foundation webinar in March 2021
- Provided comments and input to OXFAM inception report on Extractive Industries Audit in October 2020
- Finalized the WGEI Stakeholder strategy (now published on the website)
- Continuous outreach to stakeholders (Oxfam, EITI and NRGI)
- Contributed to the AFROSAI-EI workshop in June 2021 – outreach to Tax Justice International, NRGI etc.)
- Given input to EITI on alternative approaches to EITI reporting and how to integrate the role of SAIs
## Activity plans
